

## **The Lord God is Our Rock!**

Read through the following passages that speak of God as our rock. Make note of what you learn about what He does for us as our rock. How do these verses encourage you in your daily walk? Take your time to work through this list. Don't feel the need to rush through them. Take time to meditate and ponder God's Word and let it permeate your heart, soul and mind.

Deuteronomy 33:24

Isaiah 26:3-4

Psalms 18:1-3

Psalms 19:4

Psalms 31:3-5

Psalms 40:1-3

Psalms 61:1-3

Psalms 62:1-8

Psalms 71:1-3

Psalms 92:15

Isaiah 44:6-8

I've saved this passage for last. It's long, I know. But it's so rich. Read through David's prayer. Record attributes and descriptions of who God is! Make note of what David does in his distress and then put those into practice in your own life. When we make it a practice to KNOW God and KNOW His Word, our faith grows. This foundation is what helps to keep us steady when our world is rocking and shaking.

2 Samuel 22:1-51
